The point system will be on a nine-point point scale. Points are based on the placing of the exhibitor above all others in the class – if a class has 10 entries and competing as an MYQHA open show participant, you place third in the class, you'll receive seven open show points. These points are recorded and at year's end a high-point winner will be recognized for each division. These points will also be tracked for Merit awards.

AWARDS:

Year-End High Point and Reserve in each division

Bronze Merit Award = 50 points in a division

Silver Merit Award = 100 points in a division

Gold Merit Award = 200 points in a division

Versatility Award = 200 points in each of 3 divisions

Supreme Champion = 500 points in a division

Merit Award Points are cumulative and carry over from one year to the next. The horse/rider, however, have to be renominated each year. The year-end awards will be given out at the MYQHA annual meeting in January. Year-end High Point and Reserve in each division will receive a plaque. The Merit, Versatility and Supreme Awards will be frameable certificates.
