

# Youth News

We have had many good fundraisers this year and the most recent success was the Easter baskets we had at the 2<sup>nd</sup> TQ Circuit Show. We would like to thank all the youth who brought the great baskets and to all of those people who bought a basket or bid one up. Thanks for supporting the MYQHA.

MN state show is coming up soon we are planning on having the jumps and trail. The training classes will be held. Also youth meeting Friday morning around the stallion halter time.

Many thank yous to all the youth and other adults that helped set the trail and jumps and all the youth that have helped sit the trail classes these first couple shows.

NYATT letters are due on June first. NYATT is a fun time if you are planning on going to congress, lots of fun.

The MN Horse Expo is coming up and we are still need of a few helpers for Friday and Sunday. If you could please contact Amy Mandelke so she can have some help.

Corporate Challenge is coming soon and we have one of our biggest fundraisers of the year, the basket fundraiser. People enjoy walking through and looking at all the creative baskets, get your theme and go for it! There are always so many good baskets.

Our latest on going fundraiser is the ford raffle tickets. We are selling tickets for a ford truck. There will be a drawing at the Youth World show in Oklahoma City, Oklahoma for it. If you haven't got your tickets contact Julie Larson and get some to sell to help support the MYQHA. Or if you would like to buy one talk to one of the MYQHA members they would love to sell you one!
